ABOUT

As an extension of Aykılıç Gross, one of the leaders of the wholesale sector for many years, Expay Global is an international company specializing in distribution of global FMCG brands. Rooted in Turkey and with over 40 years of business experience, we offer competitive pricing in FMCG products on a global scale.

We carry out our activities in Gaziantep, Turkey, yet we export to more than 60 countries by establishing reliable relations. We cater to needs of every market with our young, dynamic, international and multicultural team.

Over the years we have established a solid and valuable cooperation with manufacturers, suppliers and customers around the world. Thanks to this cooperation, we distribute the products from the producer to consumer in the fastest and cheapest way.

We are constantly improving ourselves and thinking about solutions for our business partners and customers. We move fast and take action at the right time.
